New Delhi, April 30

The Board of Directors of Mother Dairy Fruit & Vegetable Pvt Ltd on Tuesday appointed Sangram Chaudhary as the new Managing Director. He will take charge on May 1. Chaudhary replaces Sanjee Khanna.

Chaudhary has over three decades of experience in the dairy sector. He was earlier the Executive Director at National Dairy Development Board (NDDB). "During his stint at NDDB, he has been instrumental in rolling out the National Dairy Plan apart from national and State-level policies, implementation of animal nutrition, health, breeding and related livestock issues," the company added.
