

# **No disruption in milk supply: Mother Dairy**

**New Delhi:** Amid concerns of local stores running out of milk and other essential items, Mother Dairy — a subsidiary of National Dairy Development Board — on Friday said adequate measures had been taken to ensure there would be no disruption in the supply of any dairy products.

The company said it welcomed the Prime Minister's appeal on Thursday, asking people not to panic buy essential food items and milk, stating there will be no disruption in its supply chain.

In a statement on Friday, the company said that it had aligned its procurement network across all locations to make sure timely deliveries would occur. "We are fully geared up to ensure that every NCR citizen is provided with milk in the most hygienic condition," it said.
